

BEAM
SUMMIT

Beam Quest

- Been a part of Dataflow Support, Dataflow SWE, now a Dataflow Consultant
- Work: Focusing on Beam EoU Initiatives
- Hobbies: Running near the Hudson River, Classical Music, trying NYC restaurants

Common Pain Points

- The Beam Community doesn't have a way to track how many people use Beam
- Steep Learning Curve
- What does "knowing" Beam mean?

Introducing Beam Quest

- Introducing [Beam Quest](#)
- [Blog](#)
- Developed in collaboration with the Cloud Learning Organization
- Email beam-quest@google.com for suggestions
 - Long term, plan to open-source the labs.

- [Q2 '23] Release to public
- [Q4 '23] Add a lab for Beam ML/ Beam Go
- [Q4 '23] Develop a sustainable workflow to allow members of OSS to contribute to the labs
- [Q1 '24] Add multiple badges for Beam (Advanced, Intermediate)
